The Dog Poisoner

The dog poisoner has been at his  
hellish work again, causing the  
poor, innocent dumb brutes untold  
agony.

The person who carries on such a  
fendish practice, deliberately and  
premeditatedly as it seems this has  
been done for the past year, is a  
menace to the community. So  
sneaking and devilish is he and so  
thoroughly depraved disreputable  
and cruel and cowardly, we are sure  
from his heart proceeds a poison-  
ous venom that would inoculate so  
as to wither, blast and kill as com-  
pletely as does the poison he places  
on the bone and throws to the dog,  
kill that is good noble and man-  
fully, should it come under his  
direct influence. We are thank-  
ful that such persons have but little  
influence.

There is one thing sure to come  
to such persons, a just punishment.  
The suffering that they cause to  
dumb brutes, and more will they  
have to suffer. We believe this as  
firmly as we believe the bible. If  
they do not meet up with their  
punishment here the devil will take  
great pleasure in giving them an  
extra hot bath hereafter.

Stonewall's Bad Roads

A prominent farmer from Blue  
Grass went over to Stonewall the  
other day and down the Bullpasture  
to attend to some business and  
see the country. He was driving a  
couple free-goers, such as they  
usually keep in Blue Grass, and  
they are accustomed to bad roads,  
very bad, but they soon showed  
the farmer said, by their actions  
that they had never struck it be-  
fore after that fashion. It was go  
this way and that way (not for-  
ward but little), go up and go  
down (a great deal), until along  
at least they simply wanted to  
jump out and over.

The driver at first was aggravated  
with his team, but after he thought  
while he did not wonder that they  
were hard to force into the quag-  
mires that were scattered along the  
way in such rich profusion, and  
that they had such an ungovernable  
tendency to jump them and land  
the buggy in their middle, for  
how could they tell whether there  
was a bottom to them or not when  
he was altogether uncertain about  
it himself?

The farmer said he had to keep  
both eyes on the horses, but occa-  
sionally by a quick side glance he  
saw that he was slowly passing  
through a country composed of  
pretty, productive looking farms;  
a thrifty section, good looking  
houses and barns, and he wondered  
why it was that such people would  
not have better roads.

As he had to keep his eyes on  
the horses and the road he had an  
"excellent opportunity," he said,  
to look for the Blue Grass money  
that had been sent over to Stonewall  
for the making of better roads, but  
he failed to find it and he has con-  
cluded that it must have been put  
in the side ditches and covered up.

teen years. Linseed Oil must be

A Young Horse Thief

A sixteen-year-old boy named  
Joe Terrell was arrested in Staunton  
last Friday for stealing a horse  
from his employer, George Smith,  
near Armstrong, Bath county. He  
had taken the horse to Staunton  
and was offering it for sale, when  
a phone message was received by  
the Staunton authorities from the  
Sheriff of Bath county, calling for  
his arrest. He was immediately  
taken into custody and held for  
Bath officers.

The boy also had some new cloth-  
ing he was trying to sell, and it is  
supposed that they came from a  
store at Deerfield that was robbed  
not long ago.

The penalty for horse stealing is  
a term of from three to eighteen  
years in the penitentiary.

A Thoughtful Plan

M. M. Austin of Winchester, Ind. knew  
what to do in the hour of need. His  
wife had such an unusual case of stom-  
ach and liver trouble, physicians could  
not help her. He thought of tried Dr.  
King's New Life Pills and she got relief  
at once and was finally cured. Only 25c.  
at K. H. Trimble's drug store.

Crazy Bill

A Great Sensation

There was a big sensation in Leesville,  
Ind. when W. H. Brown of that place,  
who was expected to die, had his life  
saved by Dr King's New Discovery for  
Consumption. He wrote: "I endured in-  
sufferable agonies from asthma, but your  
New Discovery gave me immediate re-  
lief and soon thereafter effected a com-  
plete cure." Similar cures of consump-  
tion, pneumonia, bronchitis and grip are  
numerous. It is the peerless remedy for  
all throat and troubles. Price 50c. and  
\$1.00. Guaranteed by K. H. Trimble,  
druggist. Trial bottles free.

For liver troubles and constipation  
There's nothing better in creation  
than Little Early Risers, the fa-  
mous little pills.

They always effect a cure and save  
doctor bills.

Little Early Risers are different  
from all other pills. They do not  
weaken the system, but act as a  
tonic to the tissues by arousing the  
secretions and restoring the liver to  
the full performance of its func-  
tions naturally. K. H. Trimble, M.D.

Boston Mary

Mary had a little calf—it was so  
very lean that everywhere that  
Mary went it hardly could be seen;  
but Mary got a pair of pads, which  
she put in her hose, and now the  
calf is plainly seen wherever Mary  
goes.—The Wisconsin.

Good For Children

The pleasant to take and harm-  
less One Minute Cough Cures gives  
immediate relief in all cases of  
cough, croup and LaGrippe because  
it does not pass immediately into  
the stomach, but takes effect right  
at the seat of the trouble. It draws  
out the inflammation, heats and  
soothes and cures permanently by  
enabling the lungs to contribute  
pure life-giving and life-sustaining  
oxygen to the blood and tissues.

Obituary

After an illness of seven months,  
on the 7th day of April, 1903, the  
Angel of God called at the home  
of Taylor Daugherty, near Meadow  
Dale and claimed for its harvest  
beloved cousin, Rosa Jane Lewis,  
who in the prime of life had to be  
called from this world of sin to a  
bright home above. Rosa was  
loved by all who knew her, and has  
left an example worthy of imi-  
tation. How glad we ought to be  
to know that she was ready to go  
when God called for her.

The funeral service was conduct-  
ed by Rev. A. J. Nixon at the col-  
ored cemetery in Monterey where  
she was laid to rest by the side of  
many relatives. She has left to  
mourn her loss two sisters, Miss  
Lilla Lewis, Elkins, W. Va., Mrs.  
Fannie Johnson, Pittsburg, Pa.,  
three brothers who reside in El-  
kins, W. Va., Reece, Samuel and  
Milton, and one half brother Wil-  
liam Daugherty and half sister,  
Mrs Fannie Daugherty both of  
Monterey.

Her father Jessie Lewis belong-  
ed to Mr Thomas Campbell and  
her mother to Col. D. V. Ruck-  
man. Both are dead.

We shall miss Rosa but as we  
know she is no more with us let us  
try to meet her in Heaven where  
there is no parting, sorrow or grief.  
Her cousin, Addie Daugherty,  
April 14th, 1903.

ing land.

portion of the rent in work on the  
farm. Term of renting will com-

A H. Thurnes's Remarkable Case.

A. H. Thurnes, Mgr., Wills Creek  
Coal Co., Buffalo, O., writes: "I  
have been afflicted with kidney and  
bladder trouble for years, passing  
gravel or stones with excruciating  
pains. Other medicines only gave  
relief. After taking Foley's Kid-  
ney Cure the result was surprising.  
A few doses started the brick dust,  
like fine stones, and now I have no  
pain across my kidneys and I feel  
like a new man. Foley's Kidney  
Cure has done me \$1,000 worth of  
good." Sold by Monterey druggist.

A Sweet Breath

is a never failing sign of a healthy  
stomach. When the breath is bad  
the stomach is out of order. There  
is no remedy in the world equal to  
Kodol Dyspepsia Cure for curing  
indigestion, dyspepsia and all stom-  
ach disorders. Mrs Mary S. Crick,  
of White Plains, Ky., writes: "I  
have been a dyspeptic for years—  
tried all kinds of remedies but con-  
tinued to grow worse. By the use  
of Kodol I began to improve at  
once, and after taking a few bot-  
tles am fully restored in weight,  
health and strength and can eat  
whatever I like." Kodol digests  
what you eat and makes the stom-  
ach sweet. K. H. Trimble, M.D.

HAMILTONIAN WILKES

Sir Walter Raleigh

Four Year Old Trial 2.38

Is a handsome, well developed,  
brown horse, weighing 1050 lbs.,  
and standing 15 hands, 3 inches  
high. Should weigh when matured  
1150 lbs. (Kindly remember  
that he will not be five years old  
until July, and will continue to fill  
out for two years yet.) He has a  
fine bony head, full and lustrous  
eyes, fine arched neck set on pow-  
erful shoulders, back short and  
strong. His legs and feet are fault-  
less, and he embodies all the sound-  
ness of an eminently sound ances-  
try, and his foals all show size,  
style and action. He was never  
trained, but was driven a mile last  
season as a four year old in 2.38.  
He has perfect action, and when  
trained should take a record credi-  
table to his sire. He is clean gait-  
ed, needing no boots; is a free styl-  
ish driver and fast walker. No  
horse can surpass him in intelli-  
gence and style or courage.

Sir Walter Raleigh came from  
the stables of J. Malcomb Forbes.  
His sire Bingen, cost \$30,000 and  
his dam \$4,500.

NOW IS THE TIME TO BREED

The recent sales have shown  
that well-bred horses of size, style  
and finish are worth more than  
they ever were, and this is the kind  
of colts you should get by breeding  
to a horse of the size and style of  
Sir Walter Raleigh.

HIS INHERITANCE

By referring to tabulated pedi-  
gree of Sir Walter Raleigh a glance  
will suffice to show that in both  
his paternal and maternal lines he  
is the best bred horse in this part  
of the country. Sires and dams in  
his pedigree are all noted pro-  
ducers of speed, size and style. "Like  
begets like." His sire though only  
10 years old has two in the 2.15  
list, one a three year old.

Give the pedigree careful con-  
sideration as to the producing  
qualities of sire and dam. He de-  
scends from Hambletonian, Geo. Wilkes,  
Electioneer and Mambrino Patcher.

TERMS OF SERVICES

Sir Walter Raleigh will make the  
season of 1903 at Mr E. W. Arm-  
strongs, Wier, Va., Doe Hill, and  
Monterey. Terms of service \$15.-  
00 to insure.
